Accident Advantage

We've been dedicated to helping provide peace of mind and financial security for more than 60 years.

THE POLICY IS A SUPPLEMENT TO HEALTH INSURANCE AND IS NOT A SUBSTITUTE FOR MAJOR MEDICAL COVERAGE. LACK OF MAJOR MEDICAL COVERAGE (OR OTHER MINIMUM ESSENTIAL COVERAGE) MAY RESULT IN AN ADDITIONAL PAYMENT WITH YOUR TAXES.

Be prepared for life's unexpected mishaps

Accidents can happen at any time. You could suffer an accidental injury while you are working around the house or walking into work. Or your child may get injured at basketball practice. When an accident happens, it can be costly. Even with major medical insurance, there may be out-of-pocket expenses that you'll have to pay.

In the event of an unexpected injury, Aflac can help protect your personal finances. We provide individuals and families affordable insurance that helps with expenses that may not be covered by major medical insurance. Aflac pays cash benefits directly to you (unless otherwise assigned), so you can use the cash for anything you want. Which means uncovered medical expenses won't break the bank if you are injured.

And since we can process your claim quickly, Aflac helps give you the peace of mind knowing you can spend more time recovering and less time worrying about bills.

Understand the difference Aflac can make in your financial security.

Aflac pays cash benefits for covered accidental injuries directly to you, unless assigned. Your own peace of mind and the assurance that your family will have help financially are powerful reasons to consider Aflac.

The financial impact of an accident is often surprising. Most people have expenses after an accident they never thought of before. From out-of-pocket medical costs to a temporary loss of income, your finances may be strained. If you or a family member suffered an accidental injury, could your finances handle it?
